

AMENDMENT TO THE MICHIGAN CONSTITUTION

The Restore Freedom Initiative is a petition to amend our Michigan State Constitution to:

1. Rein in power the government has taken;
2. Prevent future abuses of power by the governor, legislature and courts, even in times of crisis, war or emergency;
3. Restore Michigan to a government of the people, by the people, and for the people.

More specifically, this Amendment:

- Clarifies & strengthens our right to NOT be deprived of our life, liberty or property
- Stops any governor from trying to create laws without the legislature (through EO's, etc.)
- Clarifies unconstitutional laws and unconstitutional EOs are NOT enforceable
- Allows government officials to FINALLY be held CRIMINALLY & FINANCIALLY responsible for intentionally violating the Constitution
- Prohibits government officials from picking & choosing which laws they want to follow
- Reiterates that the government gets no additional powers over us in emergencies
- Establishes a TRUE system of government accessibility, transparency, and accountability
- Makes legislators do their own research and draft their own bills; so they can't rely on unelected attorneys to write all the laws and tell them how to vote on them
- Prohibits mask requirements & other things likely to impair health from being forced upon ANYONE
- Streamlines courts so every Michigander can understand court processes & effectively participate
- Requires laws MUST be reasonably understandable by the average citizen
- Makes roll call votes REQUIRED for all governmental decisions
- Prohibits any unelected boards or commissions from regulating the people in ANY way
