

Sample Info

This is a sample of the proper way for me to sign this petition as someone who supports it, and the proper way to sign it as a circulator, using my information.

This is my name and address:

Gary Putz

6265 Wildcat Rd.

Crosswell, MI, 48422

When I use the “Check Your Voter Registration” button on the Restore Freedom website and insert my information, this is the information it gives me:

Worth Township, Sanilac County

Precinct: 2

Worth Township Hall

6903 S. Lakeshore Rd. – Lex

Lexington, MI, 48450

- Please note that when the person signs either as a supporter or circulator, they must use the actual date that it is when signed, and they must use a four-digit year (e.g., 2020).
- The circulator does not fill out the circulator portion until either the petition is full or no other signatures will be added.
