RE: New Case Filing

Dear Clerk:

Enclosed for filing, please find a Motion for In Forma Pauperis, Affidavit in Support, Petition for Writ of Certiorari, Appendix, Motion for Redaction, and Proof of Service, along with 10 copies of each (except for the Proof of Service). Please accept these for filing as a new case.

When I spoke with someone in the clerk's office yesterday, they said you still had my old address on file. I tried updating it in 2021, but it appears that request was lost in the mail. I have updated it again in the Electronic Filing System, but would you please ensure my contact information with the court has been updated to the following:

Katherine Henry, Bar #306332
PO Box 333
Ormond Beach, FL 32175
cell: 321-300-3037 (*Motion for Redaction filed re this phone number*)
office: 616-303-0033

Also, the rules are a bit conflicting for a person in my situation regarding E-filing. There is a court rule prohibiting pro se parties from E-filing. However, there is a court rule *requiring* members of the Supreme Court Bar to E-file. I am both a member of the Supreme Court Bar and a pro se litigant in this matter. I E-filed the Petition, Appendix, Motion for In Forma Pauperis, Motion for Redaction, and Proof of Service in attempting to err on the side of caution in trying to follow both court rules involved. (I did not E-file the Affidavit for In Forma Pauperis, as the documents E-filed are available for public viewing. Thus, that document was only included here in the paper filing.)

Sincerely,

Katherine L. Henry, Attorney
